Thanks, Jeaneanne!

Attached are the remaining pages (whole document but the additional edits starting at the Muscogee (Creek) Nation (top of 15)). The letter edits are coming soon. Also, ignore the yellow highlights – they don't mean anything and I forgot to pull them out. Thanks!

Jess,

We are working on the location and I am polishing the first page.

Hi Jeaneanne,

This is good through the Muscogee (Creek) Nation (top of page 15) for edits to be incorporated by the team. Also, just a reminder from our brief convo, please have the team polish up the first page and find a place to include reference to the new stipulated language. Thanks!

Jess
